5 FAQs

5.1 How quickly do you deliver your books from online purchases?

ExamPro processes and ships its orders within 2 business days from when you place your order. Australia Post then delivers your parcel according to the following times:

- 2 days - if your shipping address is within the metropolitan area of Melbourne
- 4 days - if your shipping address is in a country or rural location of Victoria

5.2 Are the prices the same online and in bookstores?

Yes. The prices advertised on the website are the same as the prices in book stores. However, the ExamPro website may have discount code specials that are only available online.

5.3 Is the content in each guide updated every year?

No, we do not release new editions every year. ExamPro guides are only updated as the study design changes. Each product description lists the accreditation period for which the guide is valid.

7 Testimonials

Chris P from Frankston High School and Areeb R from Melbourne High School detail their experience using ExamPro. Their comments were taken from an unscripted conversation about the products. Apologies for the sub-optimal sound quality. Our excuse is that we are study guide producers and not videographers, and only realised afterward that our microphone was picking up so much noise!
